

### **PC LOGINS**

#### **SCC MAPPING**

When Incident Mapping at the SCC each agency will have a different login. For CFA, use the sccvic.map account. Username and password are the same.

For DELWP, the login details are usually on a sticker on the PC.

#### **ICC MAPPING**

Logins for Mapping PC's have been set up for role based access. There should be a sticker on the machine to let you know what the login will be.

**DO NOT USE PERSONAL LOGINS FOR INCIDENT MAPPING WORK**

#### **EM-Drive**

A replacement for R drive. A web-based drive accessible anywhere.

<https://emdrive.ffm.vic.gov.au>

To login use your Fireweb login details.

Navigate to Shared with me – EM-Drive to find the relevant folder.
